Who conducts the initial review? Sgt. Gilmour, Deputy Warden Quigley

What additional review and appeals are available? none. Due to us both being constantly moved from county to county instead of dealing with what happened.

What action did you ask prison authorities to take? I asked them to review what happened to us and to do an investigation against the officer.

What response did you receive to your request? none. When I did speak to prison staff I was threatened. Due to us both being moved they just brushed it away.

We received no responses. They decided to move us around from county to county instead.

V. STATEMENT OF CLAIM

Instructions:

State here as briefly as possible the facts of your case. Use plain language and do not make legal arguments or cite cases or statutes. State how each defendant violated your constitutional rights. Although you may refer to any person, make claims only against the defendants listed in the Caption, Section I. Make only claims which are factually related. Each claim should be numbered and set forth in a separate paragraph with an explanation of how the defendants were involved. Use the reverse of this page or a separate sheet of paper if you need more space.

Statement of claim:

- 1) On October 31, 2006 I was sexually and physically assaulted by Officer Joseph Diaz. He threatened our lives and the lives of our children. Before he left he licked my face. I took a piece of tape and put it on my face to collect his DNA.
- 2) On Monday November 13, 2006 I met with my unit counselor to tell her what had happened to me. I wrote six requests to Lt. Fister and Deputy Warden Quigley but I received no response. My counselor wrote a detailed report and sent it to Deputy Warden Quigley. Somehow the report got lost.
- 3) On Tuesday November 21, 2006 I spoke with Sgts. Gilmour and Tassine and explained what happened to me. Sgt. Gilmour told me he would speak with Deputy Warden Quigley the next day.

VI. RELIEF

Instructions: Briefly state exactly what you want the court to do for you.

Relief sought:

- 1) We want the prison and the defendants to have a entry of declaratory judgement that our rights were violated.
- 2) The award of compensatory and punitive damages.
- 3) The award of court costs and litigation expenses.
- 4) For officer Diaz to be fired from his job and for Lt. Fister to retire.

and meet with me to get a formal statement.

4) On Wednesday November 22, 2006, I met with Sgt. Gilmour. I gave him a formal statement and the DNA sample. I later met with Deputy Warden Quigley and Sgt. Gilmour. I took a journal I had of all the attacks that occurred since our being arrested on July 12, 2005, at Berks County Prison. They told me they would meet with me on November 27, 2006 and start an investigation. They never met with me. I asked them to speak with my fiancé Matthew R. Martin. They did.

5) On Thursday November 23, 2006 Officer Diaz was on E-unit. It was the unit Matthew R. Martin was on. Matthew confronted Officer Diaz about what happened to me. Officer Diaz attacked Matthew and admitted to him that he did attack me and would continue to come after the both of us if Matthew kept testifying. Matthew was locked down on Thursday November 23rd and Friday November 24, 2006. Sgt. Gilmour said it was for his own safety due to Officer Diaz working on his unit both days.

6) Over the next three weeks we both were

harassed by Officer Diaz, and other Officers. I spoke to Sgt. Gilmore numerous times and wrote out statements about what occurred. He continued to tell me an investigation was being done at the Warden's request. I was told the state police would be in to talk with us. No one ever came.

7) Numerous Officers told us that Officer Diaz bragged about what he was doing to us. One female Officer wrote Officer Diaz up for calling a female inmate to the medical unit where he was working, just for his own sexual pleasure. Sgt. Gilmore showed me the write up and the female Officer told me she did it.

8) On December 29, 2006 I spoke with Lt. Fister. She yelled, screamed and threatened me. She threatened me she was going to put me in the R.H.U. if I kept making trouble. She said I was lying about everything and said I never gave them a DNA sample. I met with her at Deputy Warden Quigley's request due to Officer Diaz being on our units even though he was told to stay away from our units and all area's that have to do with the female's. Numerous officers ask him to leave the unit when he comes on the female unit.

- 9) On January 16, 2007 I talked to Sgt. Filmaur. He told me he wasn't allowed to talk to me about what was going on. He said it came from the Warden's office.
- 10) On Thursday January 25, 2007 I was sent to Centre County Correctional Facility. Matthew was being housed at Chester County Prison.
- 10) We were both moved to numerous county prisons to be housed because of all of this. Sometimes we didn't even get to meet with our attorneys before we went to court. We both had ineffective counsel because of this. We both have appeals in in Lancaster County. We both missed court dates due to the courts not knowing where we were.
- 11) With the money they spent on housing us at so many county prison, they could of and should of did a proper investigation and found out everything we said was true and fired Officer Diaz and saved the county a lot of money.
- 12) Our rights were violated due to the attacks over a long period of time. Each person named in the suit should be found guilty due to they just brushed everything aside and moved us away so it didn't have to be

dealt with. The Warden knew and did nothing. He then told Deputy Warden Quigley to do nothing and have me moved away. She then told Lt. Fister the same and to have me moved away. Which gave Officer Diaz his job and the knowledge of what he got away with. They should all be guilty of us not having proper legal services. We were moved so far away from our county in which our charges were from.
